ADDITIONAL FEATURES

Ultra-bright, high-contrast 6.9 cm (2.7 inch) wide screen TFT colour display (super clear LCD)

Ultra-bright, high-contrast wide screen TFT colour display (super clear LCD) that enables viewing from almost any angle thanks to a contrast of approx. 1000:1.

Innovative H.264 encoding

High-resolution videos* with innovative compression and extremely high image quality.

YouTube™ Capture Mode

Takes videos* with optimal video size and quality for YouTube™.

28 mm wide-angle

Get more in your picture - just use the wide-angle function of the EXILIM EX-Z100.

Auto Shutter function

The new Auto Shutter function automatically activates when the image is steady, so the result is not impaired.

Face Detection function

The Face Detection function recognises faces and automatically creates the best possible setting.

4x optical zoom

The 4x optical zoom tucked away in the ultra-compact design housing of the EX-Z100 will help you capture even the tiniest detail.

The EXILIM Zoom EX-Z100 is available in specialist shops, department stores and warehouses, electronics retailers and from all reputable businesses.

*Max. recording duration of 10 minutes/video
