HIGHLIGHTS

14.1 megapixels

Within its compact and elegant housing, the EX-ZS10 hides 14.1 megapixels – perfect for editing, enlarging and printing sections of photos without any reduction in picture quality.

HD video recording

Simply press the movie button – by using the HD Movie Function in the EXILIM EX-ZS10, you can make colourful and high-detail videos* with a resolution of 1280 x 720 pixels.

26 mm wide-angle lens

Whether you're in a small room, a car or on a ferris wheel – the combination of the 26 mm wide-angle* design and 5x optical zoom makes the EX-ZS10 the perfect companion for every occasion.

5x optical zoom

The 5x optical zoom brings distant subjects right up close. The EX-ZS10 has everything you need in all of life's situations and guarantees outstanding photos.

6.9-cm (2.7-inch) TFT colour display

The large 6.9 cm (2.7 inch) TFT colour display takes up the entire reverse of the camera, ensuring an exact view of all subjects, stored photos or films.

Easy mode

In the EX-ZS10 Easy Mode, you can take outstanding photos in any situation – without worrying about presettings or applying the wrong settings by mistake.

Design

A slim design, a sophisticated look and a splash of colour: the EX-ZS10 makes a lasting impression wherever you take it.

The EXILIM EX-ZS10 is available to buy from specialist dealers, shopping centres, electrical goods stores and all good shops.
